DOMESTIC VIOLENCE FOR LAW ENFORCEMENT: ROCE 8112

Course Length: 3 hours, self-paced

CEUs Awarded: 0.3 CEUs

Overview:

Domestic violence is frequently encountered by law enforcement officers, firefighters, and emergency services personnel. This course will give students a working knowledge of domestic violence as it applies on the job. It addresses the minimum knowledge needed to respond to domestic violence incidents and is not an in-depth analysis on investigations or treatment of the problem. This course is structured to meet in-service training requirements for domestic violence.

Target Audience:

This course is designed for Tennessee Law Enforcement Officers and victim service providers.

Hardware & Software Requirements:

You will need the following:

- computer with Internet access
- the ability to use Microsoft Word '98 version or higher
- web navigation skills and email skills

Textbook Requirements:

No textbooks are required. All reading and reference material will be supplied in the course.

Course Dates:

Course can be taken anytime between January 7 - June 3, 2013

Registration Dates:

Open enrollment from January 7 - June 3, 2013

Course Fee:

\$54

Payment:

Cash, Mastercard or Visa Credit Card, Check, Money Orders accepted
